

## **U S Block Windows Features DecoGlass™ Image Series**

Pensacola, FL – U S Block Windows introduces the DecoGlass™ Image Series Windows by GlassCraft, with designs that offer artistry and privacy for the bath or spa. DecoGlass features four unique patterns kiln-fired into the glass to create a permanent, beautiful design on the inside, with an obscure glass texture on the outside. They create privacy but let in the natural light, while adding style and ambience to the room.

DecoGlass Image Series offers fixed picture windows in a variety of frame options, including vinyl, aluminum, and cellular PVC with brick mold. All DecoGlass Image Series windows measure 49 <sup>3</sup>/<sub>4</sub> X 49 <sup>3</sup>/<sub>4</sub>. The frame colors include white, tan, sandsun and bronze. The series also features insulated ½-inch glass panel units, tempered safety glass and a Design Pressure Rating of 80 PSF. DecoGlass carries a 5-year limited warranty on the insulated glass.
