Accentuate your bath or spa area with *DecoGlass™ Image Series Windows*

U S Block Windows, the leader in innovative bathroom window options, is proud to introduce the *DecoGlass™* Image Series by GlassCraft, featuring unique designs kiln-fired into the glass to create a permanent statement. Accent your bath with one of four dynamic patterns, each featuring an obscure glass texture on the “outside” of the window for added privacy making them an excellent option for a bath or spa application.

DecoGlass™ Image Series offers fixed picture window options for the new construction market in a variety of frame types, including vinyl fin and J-channel, aluminum fin and flange, and cellular PVC with brick mold. All *DecoGlass™* Image Series measure 49 3/4” x 49 3/4” unit dimension.

Features:

- Insulated 1/2” glass panel unit
- Tempered safety glass
- Allows light to pass through while providing ambience and privacy
- Design Pressure Rating 80 PSF
- Each window carries a 5-year limited warranty for insulated glass unit failure

Frame Colors:

White	Tan (vinyl only)	Sandsun	Bronze
